## // EDUCATION

### ● B.S. @Wuhan University

WUHAN, CHINA, SEP 2010 - JUN 2014  
MECHANICAL ENGINEERING & ADVERTISING (DUAL DEGREE)

### ● M.E. @University of Waterloo

WATERLOO, CANADA, SEP 2014 - CURRENT  
SYSTEM DESIGN ENGINEERING

## // EXPERIENCE

### ● TEACHING ASSISTANT

UNIVERSITY OF WATERLOO, JAN 2015 - DEC 2015  
I was the TA for the course User Centered Design (Jan to Apr) and Engineering Design (May to Dec) respectively. In the first course, I facilitated the evaluation and redesign of the Co-operative Education & Career Action's new website. In the other course, I guided students to do product design from both hardware and software aspects.

### ● DEPARTMENT DIRECTOR

WUHAN UNIVERSITY, JULY 2013 - JUN 2014  
Independently redesigned the website of the School of Power and Mechanical Engineering, as well as all related marketing materials.

### ● ASSISTANT DIRECTOR

ZIQIANG.NET, SEP 2010 - JUN 2013  
Founded the Wechat public platform for our website and expanded 20,000 users in 3 months. Founded the Ziqiang Weekly Journal email newsletter program. Spear-headed and designed user interface for "WHU Mobile" iOS and Android application.

## // PROJECT

### ● UWATERLOO MOBILE, UX & UI Design

SEP 2014 - DEC 2014  
Conducted 3 iterations of lo-fi and hi-fi mockups and user testing and heuristic evaluation to improve the user experience.

### ● CHINESE PHONETIC ASSISTANT, UI Design

FEB 2012 - JUN 2012
